GENERAL BACKGROUND

In June of 2002, Mr. Hafner formed Cities Edge Architects. He has extensive experience working with all types of projects for public use. His philosophy is to focus entirely on client satisfaction.

As President, John provides leadership and guides the overall direction of the corporation. His role in projects is one of support to the team of Architects and technicians working on a project and to assure that all work is of the highest quality. He is always accessible to work with clients and to address any concerns they may have. John maintains close oversight of all projects within the firm.
